

Divine Purpose and Connection **In Body of Christ World Wide Ministry**

Evangelist Ada McKinsey is a Prophetess voice to the nations. I was born and raised in the state of Mississippi by the late Elder Bennie and Gladys Davis. My calling from God is to minister to his people sharing the “Good News” all around the world about Jesus Christ.

I am anointed and appointed to do God’s will. I have a determination and a right measure of faith and a personal relationship with God to minister to God’s people to win souls to Jesus Christ. I am blessed with many gifts from the Lord. I am a mentor to many souls and leaders through a prophetic ministry and to encourage God’s people. I live and walk accordingly to the Word of God full-time.

Divine Purpose and Connection In Body of Christ World Wide Ministry is a (Diverse Ministry) designed to touch the world. To fulfill our God-given purpose of impacting the nations through ministering of the Gospel. We stand firm in our philosophy of B & B (Blessings and Business in the Body of Christ). Our goal is to take the simplicity of the word of God and apply it to the complexities of life’s challenges and allow the word to do what we cannot do.
